## Student Attendance Policy

### College Governance Status

This policy was created in June 2014 and adopted by Governors on 30 June 2014. It will be reviewed every two years or sooner, when appropriate, for example, if new guidance or relevant legislation is issued.

<b>Review dates</b>	<b>By Whom</b>	<b>Approval date</b>
January 2016	Staff and Governors	26.01.16
July 2017	Staff and Governors	17.10.17
November 2020	Staff and Governors	21.1.21
November 2022		

**Signed by the Chair of Governors**

*Pen Cruz*

Ensuring that your son/daughter attends College every day is one of the most important things you can do to help them to succeed in their education. There are clearly documented links between regular attendance and attainment. All students should be aiming for 100% attendance and the support and encouragement of parents in achieving this is crucial.

### **How parents can work to encourage excellent attendance**

#### **Illness**

We understand that on occasions students may have to miss College due to ill health. On such occasions, we ask that parents:

1. Adopt a bracing approach to illness. Please only keep students off when it is absolutely necessary.
2. Contact us by telephone on the attendance line 01947 602406 or by email to [absence@ccwhitby.org](mailto:absence@ccwhitby.org) on the first day of absence by 8.55am indicating the expected day of return.
3. In cases of persistent or prolonged absence, we may require medical evidence, eg, a prescription or Doctors' note to explain the absence.

#### **Medical Appointments**

Medical/dental appointments should be made out of College hours to prevent disruption to learning. Where this is not possible, please contact the College year office or write in your son/daughter's planner or supply appropriate evidence, eg, letter/appointment card to be handed in at the year office.

#### **Leave of Absence**

Applications for 'leave of absence' during term time should only be made if absolutely necessary. The Government has made amendments to the Education (Pupil Registration) Regulations 2006 which came into force on 1 September 2013. This states that parents/carers cannot demand leave of absence as a right. The regulations state that applications for leave must be made in advance by a parent/carer with whom the child lives and can only be authorised by the College in 'exceptional circumstances'. Principals/Headteachers would not be expected to class any term-time holiday as 'exceptional'.

If parents take their children on holiday without permission, unauthorised absence will be recorded on their son/daughter's school record. This remains on the student's record and is monitored. Parents may also be issued with a fixed penalty notice; this is currently £60 for the first offence. Please note that both parents with parental responsibilities may be fined for each child out of school.

#### **Religious Observation**

Christian holidays are already covered by the College's holiday pattern. Any additional requests should be made in writing in advance to the Principal. Without this, their absence will be classed as unauthorised.

#### **Unauthorised Absence**

In addition to holidays taken in term time, penalty fines can also be issued to parent/carers of students who have a series of 10 or more unauthorised absences.

#### **Punctuality**

Good punctuality is essential for students to progress in their education. Students who are late miss learning opportunities and develop poor habits, resulting in them being unprepared for the world of work. Students who are late for College will receive a detention. If lateness becomes habitual, we will ask parents to attend an Attendance Panel Meeting. Fixed penalty fines may also be issued when students are persistently late.

We understand that buses and trains are sometimes late. This will always be taken into consideration and understood as an unavoidable lateness.

### **Encourage good attendance**

1. Caedmon College Whitby reports will show your son's/daughter's level of attendance and punctuality record. We will clearly indicate if there is cause for concern.
2. We will hold regular 'Attendance Focus Weeks' in College where all students will be given up-to-date information about their attendance/punctuality and tutors will praise and reward students who have an excellent attendance record (100%) and will hold coaching conversations with those students who need to improve this.
3. Parents will be informed by letter/phone call if we have concerns about attendance and punctuality levels.
4. We will reward and recognise students with excellent attendance records.
5. In severe or persistent cases of poor attendance/punctuality, parents will be asked to come into College for an attendance and punctuality panel meeting which could lead to further action, for example, a fixed penalty fine, an Education Supervision Order being issued or court action.

### **Punctuality Sanctions Process**

The Pastoral Managers, DWO/DLT, only deal with lates on official AM (P1) / PM (P5) registers. Teachers are to mark a student as late for the AM/PM register if they arrive **5** or more minutes after the bell for the start of the lesson. All other lates are the responsibility of subject teachers and Heads of Departments (HoD) to monitor and sanction.

Lates will be monitored daily over each half-term on the following basis.

There will be a 5-day rolling period, which will overlap into the following week. Each late for the AM/PM register will be dealt with in the following way:

If, at any time, the student has had 15 clear days or more with zero lates they revert to the beginning of the process. This process re-sets half-termly.

Any sanction should preferably be completed on the day of the late or, if this is not possible, then on the following day.

Ideally the cause/s of the poor punctuality will be identified by the Base Coach and addressed at the earliest opportunity by communicating with the student and their parent/s.

Poor punctuality should not be looked at in isolation, as it is often a symptom of other underlying issues. The majority of those students with persistent poor punctuality also have an assortment of other issues, including - poor attendance, poor behaviour, low academic attainment, PP, etc., which should also be taken into consideration when considering sanctions and support for the student.

### **Rewards**

Students who have good attendance/punctuality will be rewarded and an up to date attendance board will be in operation on both sites run by the Attendance Officer. Students who have 100% monthly attendance will be put in a draw to be drawn in assembly.
