

Name: Dominic Lawn

A - Z play

How creative can you be...

INSTRUCTIONS: A-Z Scripting task: Create a script: 2 characters who get to meet for the first time after lockdown eases: set outside (choose your own outdoor location): What would these 2 talk about after finally having their first chance to meet after 10 weeks in lockdown?

Remember each new line begins with the next consecutive letter of the Alphabet...e.g. Line one begins with A, the next character's line B.....the next line C etc (You will have used this format in class before)

Write your script into this 'slide show workbook' and make sure you return it to your teacher via classroom by the 7th of June.

You start your script with a description of the setting/location and a description of your characters.

E.g. Walking towards a bench on the seafront. Early morning.

Dan - 14

Alex - 14 (in 2 days time)

Each new line has the character who speaks name.

E.g.

Dan:

And then you work your way through the alphabet...

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z (You can start from A again if your script is longer than 26 lines long)

e.g.

Dan: **A**lex, it's so great to see you in person.

Alex: **B**etter than on zoom, especially with your rubbish laptop. I could hardly hear you...

Dan: **C**ouldn't help that, we tried to get a new one and Curry's had sold out...and I broke my phone and mum wouldn't get me a new one.

Alex: **D**.....*and so on....*

Setting/location: Outside Dom's house after school, having a chat before going to watch TV together.

Characters: Dom (12) and Ben (11) - school friends

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

Dom: Amazing to see you!

Ben: Brilliant to see you too!

Dom: Can't believe we have been in lockdown for five months.

Ben: Doesn't feel that long though.

Dom: Everybody in the world has helped children like us to get back to school.

Ben: Finally we will see all of our friends again. I've really missed them.

Dom: Great, I cannot wait. I wonder if everyone comes back.

Ben: Hopefully, we will remember everybody's name.

Dom: I definitely will, I can still remember all my class from when I was in reception.

Ben: Just remember, you won't be able to eat whenever you want. I know you like a snack Dom.

Dom: Knowing me, I'll get up from my seat, thinking I'm at home, as though I'm helping myself from the fridge.

Ben: Lovely weather during lockdown, have you seen my tan.

Dom: Magic, it's usually always dull when we are off and always glorious when we are at school.

Ben: Never say that, because it won't be nice again, touch wood.

Dom: Of course, my dad says the gardens could do with a drop of rain.

Ben: Prefer it if it rains on days that I'm in school working, but not when we have sports events. They always get cancelled in bad weather.

Dom: Quite right, the weather is fabulous, but too warm at the minute for me.

Ben: Really! You can't complain.

Dom: Sure thing, we don't get nice weather that often, so we need to enjoy it whilst we can.

Ben: Time to go inside and watch TV. The match starts soon.

Dom: Unbelievable! We are winning in the Champions League final. Wait till this goes viral on the internet.

Ben: Very proud of the players, they are giving their all to this one.

Dom: What a fantastic match, everyone is giving their all. What's happened to Number 10! Is that what I think it is? Is it really a mobile...

Ben: X-ray unit! They must have to x-ray him before moving him, after that horrific tackle.

Dom: Yes, I couldn't watch, that could be a career ending tackle. Let's hope not as he is a talented player.

Ben: Zip your mouth, they have just sealed the win and now for trophy presentation.
