

Name:

A - Z play

How creative can you be...

INSTRUCTIONS: A-Z Scripting task: Create a script: 2 characters who get to meet for the first time after lockdown eases: set outside (choose your own outdoor location): What would these 2 talk about after finally having their first chance to meet after 10 weeks in lockdown?

Remember each new line begins with the next consecutive letter of the Alphabet...e.g. Line one begins with A, the next character's line B.....the next line C etc (You will have used this format in class before)

Write your script into this 'slide show workbook' and make sure you return it to your teacher via classroom by the 7th of June.

You start your script with a description of the setting/location and a description of your characters.

E.g. Walking towards a bench on the seafront. Early morning.

Dan - 14

Alex - 14 (in 2 days time)

Each new line has the character who speaks name.

E.g.

Dan:

And then you work your way through the alphabet...

A B C D E F G H I J K L M N O P Q R S T U V W X Y Z (You can start from A again if your script is longer than 26 lines long)

e.g.

Dan: Alex, it's so great to see you in person.

Alex: Better than on zoom, especially with your rubbish laptop. I could hardly hear you...

Dan: Couldn't help that, we tried to get a new one and Curry's had sold out...and I broke my phone and mum wouldn't get me a new one.

Alex: D.....*and so on....*

Setting/location: A park next to a coffee shop.

Characters: Dani(15), Biscuit(dog), Camila(16) & Callum(16 in a week)
