

Exam Information

2022/23

INTRODUCTION

Public examinations can be a stressful time for students and parents/carers, so it's important that all those involved are as well informed as possible. Well-informed students will realize that the rules and regulations are designed to ensure fairness and minimize disturbance.

Whitby Sixth Form aims to ensure exams run as smoothly as possible for all our students. We hope this booklet will provide you with informative and helpful advice to assist you in all of your exams.

Please read the booklet carefully and share it with your parents/carers so you and they are aware of the exam procedures and regulations. The information in this booklet applies to all of your exams.

The awarding bodies/examination boards set down strict criteria which must be followed for the conduct of examinations and Whitby Sixth Form is required to follow them precisely. You should therefore, pay particular attention to the JCQ 'Information for Candidates' notices and the 'Warning to Candidates' notices which are in the appendices.

We have tried to answer some of the questions you may in the 'Frequently Asked Questions' section of this booklet but if you have any more questions or something which you do not understand, please ask. Also, if you are worried or concerned about something you can either speak to your form tutor or your Head of Year.

1. BEFORE THE EXAMINATIONS

- Please ensure the College has at least one up to date contact number and email address for you

EXAM TIMETABLE

- All candidates receive an Exam Timetable indicating the subjects they are being entered for and the levels of entry, where applicable with this booklet. Please check that these are correct. Some subjects only have one tier of entry, whereas others have Foundation or Higher tiers
- You must check everything very carefully. Particularly check that all personal details (date of birth, spelling of names) are accurate. It is important that the name which appears on your exam documentation is the same as the name on your passport as this is that name that will appear on your official certificates and it may be difficult to change them once certificates are awarded
- It is your responsibility to look after this timetable - **MAKE SURE YOU KEEP IT SOMEWHERE SAFE!**
- A copy of the full November exam timetable will be available on the College website
- If you forget your timetable a daily register will be displayed on the exams notice board detailing which students are taking that particular day's exam.
- **SUMMER EXAMS- PLEASE NOTE THAT ALL STUDENTS MUST BE AVAILABLE FOR EXAMS ON AND UP TO THE CONTINGENCY DAY** - this is when the summer exam season will officially finish, not before

CANDIDATE NAME

- Candidates are entered under the name format of first name + middle name + (legal) surname e.g. Daisy Anna Smith. You must use your legal name on all exam documentation even if you use a different name in College for all other purposes. The reason for this is that exam certificates are legal documents. On your exam script you will need to write your name as it is shown on your candidate card (which will be on your exam desk)

CANDIDATE NUMBER

- At the top of your statement of entry you will see a four-digit candidate number. This is the number you will enter on examination papers however you don't need to worry about remembering it as it will be on a card on your exam desk

CLASHES

- If you have two or more exams which are scheduled at the same time this is called an exam clash. A few candidates may have a clash and College will make special timetable arrangements for these candidates. This will usually require you to sit one of the exams either earlier or later than the scheduled time. If this happens you will be supervised in between exams and you must bring food and drink with you. During this time you will not be allowed access to your mobile phone, however you will be able to revise for your next exam – please see the Exams Officer as soon as you can to discuss the arrangements that will be put in place

EQUIPMENT

- It is your responsibility to bring all your own equipment and resources required to your exam. Borrowing from other candidates is NOT allowed in the exam. **You should bring your equipment in a clear pencil case.** Exam stationery packs are available to buy in the College office.
Equipment you are required to bring to every exam:
 - 2 black pens
 - 2 HB pencils
 - Ruler
 - Pencil sharpener
 - Rubber
- Items to be brought to certain exams (check equipment needed with your teacher for each exam—if you are unsure bring to your exam anyway):
 - Calculator with no lid
 - Coloured pencils
- Scrap paper and revision notes must not be taken into the exam room. You must do any rough work in your answer booklet. Cross out anything you do not wish to be marked. Do not use correcting pens, fluid or tape, erasable pens, highlighters or gel pens in your answers. However, you are allowed to highlight parts of the question paper if a separate answer booklet is used. You must write in black ink or ballpoint pen, except for drawings or rough notes

CALCULATORS

- A calculator can be used unless you are told otherwise. Your subject teacher will inform you if you are not allowed a calculator for a particular paper. If you are allowed a calculator in an exam check the batteries are working properly, clear anything stored in it, remove the case and ensure it is a size suitable for use on the exam desk. You must bring your own calculator if you need one and you are responsible for making sure your calculator works properly and meets exam board regulations
- **Calculators must not:**
Be designed or adapted to offer any of these facilities:
 - Language translator
 - Symbolic algebra manipulation
 - Symbolic differentiation or integration
 - Communication with other machines or the internet
 - Be borrowed from another candidate during an examination for any reason
 - Have retrievable information stored in them, this includes:
 - Databanks
 - Dictionaries
 - Mathematical formulas
 - Text

2. DURING THE EXAMINATIONS

DATES AND TIMES OF EXAMINATIONS

- Examination dates and times are clearly shown on your exam timetable. Morning exams start at 9.00am and afternoon exams start at 1.30pm unless you are informed otherwise.
- ALL external exams/set tasks will be held on the Caedmon College site, unless advised otherwise – this includes W6F students.
- It is your responsibility to check your timetable so that you arrive in College on the correct day and at the correct time for your exams. You should arrive at the exam venue no less than 10 minutes prior to the start of the exam. The 'start' time is the time you are expected to start the exam, NOT the time you need to arrive by. A seating plan will be displayed outside the venue, please take the time to have a look at it in order to find your seat easily when you enter

UNIFORM/DRESS CODE

- Year 11 students must wear full uniform to all examinations. Outdoor jackets, scarves and hats cannot be worn. Year 12 and 13 please dress sensibly for the exams as the temperature in the exam room can fluctuate enormously.

FOOD AND DRINK

- Food and drink is not routinely allowed in exam rooms (with exception of students with a medical condition—these should have made the Exams Office aware prior to the start of the exam season), however, you may bring with you a clear bottle of water with the label removed, no bigger than 500ml, but please make sure it has a leak proof spout (also known as sports cap). Please be advised that you are not allowed to refill your bottle during the exam and invigilators cannot do this for you

LATE

- If you are late for an exam the College will try to give you the full time allowance as long as an invigilator is available. If you are more than an hour late your exam paper may not be accepted by the Exam Board. If you are late for an exam please report to the main reception. Please let College now if you think you might be late as a result of problems on your way into College, ie severe traffic problems

CONDUCT DURING THE EXAM

- As soon as you enter the exam venue you are under exam conditions. You must not communicate with any of your fellow students and must not turn around. If there is any communication between students it will be assumed you are cheating and be treated accordingly. You must ensure you sit at the correct desk to ensure you complete the correct question paper. If you need assistance put up your hand and wait for an invigilator to attend to you. Once you have entered the exam venue, you have to be escorted at all times if you need to leave (for example if you need the toilet or feel unwell)
- Listen carefully to instructions and notices that are read out by invigilators—there may be amendments to the exam paper that you need to know about. Before you start check that you have the correct question paper and an answer booklet if required. Read through the instructions on the front of the exam paper before starting the exam and make sure you are clear as to how many questions you are required to answer. Please **put your legal name on your exam paper (not your preferred name)**
- Invigilators are there to help but they cannot help you with any questions in your exam paper. If you have any queries don't be afraid to put your hand up and ask for assistance
- You will not be allowed to leave an exam early if you have finished as this disturbs other candidates. You must check your exam paper through and sit in silence
- If anything inappropriate is written on an exam paper the Exam Board can refuse to mark your script
- Any student who is disruptive or behaves in an unacceptable manner will be removed from the exam venue by the Head of Year or a member of the Senior Leadership Team

END OF THE EXAM

- If you finish before the time allowed for the exam, carefully check all your answers. Make sure your name (as shown on your candidate card) and candidate number are on every piece of paper used. At the end of the exam all work must be handed in. Rough paper is not allowed in exams so all work you have done will be sent to the Exam Board for marking therefore remember to cross through any rough work you do not want to marked
- Invigilators will collect your exam papers before you leave the exam venue. If there is any communication it will be assumed you are cheating and will be treated accordingly. You will be dismissed from the exam row by row and you must remain in complete silence until you have left the exam venue

EMERGENCY EVACUATION

- In the event of an emergency for example a fire drill the following must be carried out in complete silence:
 - If the fire alarm goes off firstly do not panic. You must stop writing, close your answer paper and remain seated and listen to the instructions from an invigilator
 - You will be told by an invigilator when to leave and where to assemble. Do not walk to where you usually go to in the event of a fire drill as you will not be assembling with the rest of the College
 - Leave all your equipment in the exam venue

- You must leave the room in complete silence and must not speak to fellow students. When you return to your exam room do not start writing until the invigilator informs you to do so
- The invigilator will make a note of the time of the interruption and how long it lasted
- You will be allowed the full working time set for the examination

3. ABSENCE FROM EXAMINATIONS

- If you experience difficulties during the examination period (e.g. illness, injury, or personal problems) please inform College at the earliest possible time so we can help and advise you. Please ask specifically that the message is also given to the Exams Office. We must receive a call for EVERY exam missed
- Not attending the exam, even due to illness, has to be the very last resort. All possible attempts must be made to sit the exam even if disadvantaged in some way. However, please make the Exams Office aware of any such disadvantage before the exam
- **You must** also obtain a note from your doctor detailing the reason for non-attendance. There is the possibility of submitting this note to the Examinations Board to ask for special consideration. The Board looks at this in conjunction with other examination marks from the candidate in that particular subject and controlled assessment /internal assessment marks. This may enable them to issue a mark and grade accordingly, however this grade will probably be much lower than if you had sat the examination. Where an application for special consideration is submitted to the Exam Board, it is for them to consider - it is not the decision of the College
- Only in 'very exceptional circumstances' are candidates granted special consideration for absence from any part of an examination. It is essential that medical or other appropriate evidence is obtained on the day by the candidate/carer and given to the Exams Office without delay. In all cases where an application can be made for special consideration, it must be submitted within 5 days following the exam. It may be that if you do not sit a particular unit – you may not obtain an overall result for that subject
- Parents and candidates are reminded that the school will require payment for entry fees (approximately £35.00 - £60.00 per subject, depending on the subject and the Exam Board) should a candidate fail to attend an examination without good reason. Medical evidence is usually required. Please check with the Exams Office
- Please note that misreading the timetable will not be accepted as a satisfactory explanation of absence

4. EXAM CHECKLIST

- You must arrive at the exam venue 10 minutes prior to the scheduled start time. It is much better to leave yourself a safety margin on timings in case of problems with the journey
- When taking examinations, bags and coats should be left in lockers. Do not bring these items to the examination room. A designated will be provided.
- Mobile Phones– Students must not have mobiles phones in their possession in the examination room (either turned on or off). They should be left at home or in your locker. If a mobile has been accidentally brought into the examination room it can be handed in for safe keeping and collected from the Examinations Office. The College is not held responsible for the safe keeping of your phone
- Do not take into the examination any unauthorised electronic devices; stereos, digital equipment, reading pens, electronic communication / storage devices, iPods, MP3/4 players, or any other products with text / digital facilities. **All watches are now also prohibited.**
- Only clear pencil cases are allowed on your desk; any others should be left in your bag. Do not use gel pens – this is because many of the examination papers are now scanned and sent electronically for marking – gel pens do not scan well
- **Sshh!** There is absolutely no talking or communication between students once you enter the examination room. If you have any questions, you should raise your hand once seated and an invigilator will come to you

- Normal College uniform rules apply
- No food allowed in the examination room (if you have a special requirement – please see the Examinations Officer at the start of the exam season)

FREQUENTLY ASKED QUESTIONS

Q. Why do I need to check the details on my Examination Timetable?

A: The details on your Timetable will be used when certificates are printed. If the name or date of birth on your certificates does not match your birth certificate it could cause you problems if you are asked to show your certificates to a potential employer or for College/university in the future. You should also check that the subjects and tiers of entry you are entered for are correct and that no subjects are missing.

Q. My name has been misspelt on my timetable. What can I do?

A: We can rectify this problem very quickly. Please supply College with a copy of your birth certificate and we will amend our records. This will ensure that your certificate is correct.

Q. What do I do if there's a clash on my timetable?

A: We will re-schedule papers internally (on the same day) where there is a clash of subjects. Candidates will normally sit one subject paper followed by the second paper. If it is necessary to timetable an examination from the morning session to the afternoon of the same day you will need to be supervised by an invigilator and not permitted contact with any other students or access to the internet. Please call in to the Exams Office as soon as possible to discuss this arrangement.

Q. What do I do if I think I have the wrong paper?

A: Invigilators will ask you to check you have the correct paper before the examination starts. If you think something is wrong put your hand up and inform the invigilator immediately.

Q. What do I do if I forget my Candidate Number?

A: Candidate Numbers are on the identification cards on your desk. Invigilators will be able to help you find your number.

Q. What do I do if I forget the College Centre Number?

A: The Centre Number is 48181. It will be clearly displayed on the board in the examination room. It is also on the candidate card on your desk

Q. What do I do if I have an accident or I am ill before the examination?

A: Inform College at the earliest possible point so we can help or advise you. In the case of an accident that may mean you are unable to write it may be possible to provide you with a laptop or scribe to write your answers but we will need as much prior notice as possible. You may need to obtain medical evidence (from your GP or hospital) if you wish us to make an appeal for Special Consideration on your behalf.

Q. What do I do if I feel ill during the examination?

A: Put up your hand and an invigilator will assist you. You should inform the Examinations Office/ Invigilator if you feel ill before or during an exam and you feel this may have affected your performance.

Q. What is an application for Special Consideration?

A: Special Consideration is an adjustment to the marks of a candidate who is eligible for consideration. The allowance for Special Consideration is from 0% (consideration given but mark allowance not appropriate) up to a **maximum** 5% (reserved for exceptional cases). Parents should be aware that any adjustment is likely to be small and no feedback is ever provided. Candidates will only be eligible for Special Consideration if they have been fully prepared and covered the whole course but performance in the examination or in the production of controlled assessment / coursework is affected by adverse circumstances beyond their control. Examples of such circumstances may be illness, accident or injury, bereavement, domestic crisis. The Examinations Officer must be informed immediately so that the necessary paperwork can be completed (within 7 days of the last examination session for each subject) and the candidate will be required to provide evidence to support such an application.

Q. If I'm late can I still sit the examination?

A: Provided you are not more than one hour late it is still possible for you to sit the examination. You should get to College as quickly as possible and report to Reception. The Examinations Officer or a member of the Leadership Team will escort you to the examination room. You must not enter an examination room without being escorted in. You should also be aware that if you start the examination more than 60 minutes after the published starting time the College is obliged to inform the Examination Board and it is possible that the Board may decide not to accept your work. Please ensure that you allow enough time to get to College so that if you are delayed (e.g. through transport problems) you will still arrive on time.

Q. If I miss the examination can I take it on another day?

A: **No.** Timetables are published by the Examination Boards and you must attend on the given date and time.

Q. Do I have to wear College uniform?

A: **Yes.** Normal College regulations apply to uniform, hair, jewellery, make-up, etc.

Q. What items are not allowed into the examination room?

A: Only authorised material is permitted in the examination room and students who are found to have any material with them that is not allowed will be reported to the appropriate Examination Board. In such circumstances, a student would normally be disqualified from the paper or the subject concerned. This may also include other subjects / examinations taken with the same Board. Bags and coats and any other items not permitted under examination regulations and must be left in your locker. Do not bring any valuables into College when you attend for an examination. No food is allowed in the examination room

Q. Why can't I bring my mobile telephone/watch into the examination room?

A: Being in possession of a mobile phone (or any other electronic communication device, e.g. iPod, MP3/4 Players, SmartWatches, fitness bands, watches or headphones) is regarded as cheating, even if you do not intend to use it, and is subject to severe penalties from the awarding bodies.

Q. How do I know how long the examination is?

A: The length of the examination is shown in minutes on your individual timetable under the heading 'duration'. Invigilators will tell you when to start and finish the examination. The start and finish times will be displayed electronically on the wall at the front of the gym or written on the whiteboard in other examination rooms. There will be a clock in the room and all timings are set by this clock.

Q. Can I leave the examination early?

A: No, it is not College policy to allow candidates to leave the examination room early, as the security of the examination paper could be compromised. A candidate may not leave the examination room without the permission or the accompaniment of a member of the examinations staff.

Q. What do I do if the fire alarm goes?

A: The invigilators will tell you what to do. If you have to evacuate the room leave everything on your desk and leave the room in silence. You must not attempt to communicate with any other candidates during the evacuation.

Q. Can I go to the toilet during the examination?

A: Unless you have a medical reason you will **not** be permitted to leave during the examination to visit the toilet. If it is absolutely necessary for you to go you will be escorted by an invigilator, who will nominate a toilet block and cubicle for you to use and you will not be allowed any extra time.

Q. If I have more than one examination on a day can I get lunch?

A: Students who have examinations in both morning and afternoon will be allowed to have an early lunch.

Q. What do I do if I don't get the grades I need?

A: If you feel strongly that it is necessary to make an enquiry about your result you should first consult with your teacher to obtain their advice as to the advisability of requesting a review of marking. You should be aware that your mark could go down as well as up or even stay the same. Review requests must be submitted to the Examinations Officer using the Enquiries About Results application form in Section 7.

Information for candidates

Using social media and examinations/assessments

This document has been written to help you stay within examination regulations. Please read it carefully

We all like to share our experiences when taking exams and sharing ideas with others online could be helpful when you're studying or revising.

However, it is important to consider what you say and to think about what information is being shared, as there are limits to what you can share and you need to be careful not to break the rules. The rules are in place to ensure that exams are fair to everyone, students don't become worried about false rumours and any real issues can be sorted out quickly by the right people.

We'd like to ask you to act responsibly when discussing online. If you're in doubt about what you can and can't discuss online regarding your exams, it's always best to check with your teacher.

If you receive what is or what looks to be assessment related information through social media, or any other means, you must tell your teacher or another member of staff. You must show them what you have received (if available). They will then report the matter to the awarding body and it will be investigated.

Where candidates breach the rules for examinations, controlled assessments, coursework or NEA's, awarding bodies have an obligation to investigate and may apply penalties.

You should be aware that the following might constitute malpractice:

- copying or allowing work to be copied – i.e. posting written work on social networking sites prior to an examination/assessment;
- collusion: allowing others to help produce your work or helping others with theirs;
- asking others about what questions your exams will include (even if no one tells you)
- having or sharing details about exam questions before the exam – whether you think these are real or fake
- not telling exam boards or your school/college about exam information being shared

Penalties that awarding bodies apply include:

- a written warning;
- the loss of marks for a section, component or unit;
- disqualification from a unit, all units or qualifications; or
- a ban from taking assessments or exams for a set period of time
