Dear Parent/Carer

As part of our commitment to provide our students with quality careers advice, we are developing our links with local universities. Using these links, we are able to provide opportunities for our students to discover and explore a range of career options and pathways that are available to them.

As a result, our Year 12 students are invited to take part in a taster day at Coventry University's (CU) Scarborough Campus,, on Tuesday 19 July. The students will take part in a series of subject-specific workshops to allow them to explore various career paths and degrees, where they will also find out more about the unique opportunities that CU Scarborough has to offer their students.

On the day, the bus will depart from Whitby Sixth Form at 9.10am, in order to arrive at CU Scarborough for approximately 10.00am. The students will arrive back at Whitby Sixth Form by approximately 3.30pm to ensure that any students who use College transport can travel home as normal.

There may be occasions when your son/daughter will be out of the direct sight of a member of College staff. They will, however, have access to staff at designated meeting points and will be equipped with staff mobile phone numbers in case of emergencies. This is classed as "remote supervision".

This event is fully funded by CU Scarborough and a light lunch will be provided, or students may take their own lunch if they prefer. We advise all students to bring their own water bottle. If your son/daughter has any dietary requirements, or allergies, please can you indicate this on the reply slip enclosed.

Please can you complete the reply slip and return it to the College's Main Office by Wednesday 6 July.

Yours sincerely
