

# Empowering Positive Change through Careers Education.

#NCW2021

National Careers Week

Headline Partner:

National Careers Week runs from the 1st to the 6th March 2021 and aims to promote the importance of good careers education in schools and colleges. NCW invites Schools, Colleges, Universities, Teachers and Careers Professionals to celebrate quality CEIAG (Careers Education, Information, Advice & Guidance) for at least one full week each year.

**This newsletter is to introduce everyone to the help that is available for students and parents regarding careers and focusses on a range of careers and aims to encourage young people to explore new career pathways.**

## Getting Started

National Careers Week 2021 1st - 6th March

### What do I need to know?

Back for 2021, Andrew 'Bernie' Bernard talks through the history of Careers Week, and how to start planning for Careers Week.

If you know what you are looking for, all our resources are available as always on [ncw2020.co.uk](http://ncw2020.co.uk).

[What's the Virtual Careers Fair All About? →](#)

[I want classic Careers Week Resources →](#)

[I want short videos to share →](#)

[I need just the important stuff →](#)

The Virtual Careers Fair will go live on day 1 of Careers Week. There is no registration required, and no data is collected from students.

THE  
PARENTS'  
GUIDE TO

National Careers Week

NCW

THE PARENTS'  
GUIDE TO

CAREERS

FOR NATIONAL CAREERS WEEK

The Parents' Guide to provides parents with the information they need to help their teenage children make the right choices to create successful futures after GCSE and sixth form. Online guides are designed to inform, involve and guide parental support. They include the most up to date information on topics such as apprenticeships, universities and revision techniques.

Home School Careers Conversations 1 - Who are we?  
Parent Worksheet 1

Jobs I've done in the past:	What did I enjoy/dislike about each of those jobs?:	Subjects studied after school (or wish I had):
Subjects I wish I could study in the future:	Two things I wish I had had a chance to do in my working life:	Two things I'm glad I had a chance to do in my working life:

Now look at each other's answers and discuss them.

These worksheets do not replace the need for all young people to have an opportunity to speak to a qualified career development professional. Please contact your child's school to gain access or contact the National Careers Service: <https://nationalcareers.service.gov.uk>

Home School Careers Conversations 1 - Who are we?  
Occupations I'm interested in:

Paid or volunteer work I've done:

Subjects I'm studying:

Subjects I'd like to study in the future:

These worksheets do not replace the need for all young people to have an opportunity to speak to a qualified career development professional. Please contact your child's school to gain access or contact the National Careers Service: <https://nationalcareers.service.gov.uk>

Home School Careers Conversations 1 - Who are we?

These positive words to describe yourself – use the examples alongside to help, if you don't know what the words mean look them up in a dictionary or online.

1. QUICK FORGIVING  
2. ACTIVE LOGICAL  
3. TEAMLEADER  
PRECISE CONSISTENT  
EMOTIONAL  
INVENTIVE PARTICULAR  
HAPPY  
PATIENT POWERFUL

My top three values – (Values are things that you consider to be important and explain a lot about who you are. For example, some people think being honest, hardworking and caring about the environment are important values)

1. HONESTY MORALS  
2. SOCIAL DECENCY  
3. TRUTH FAIRNESS  
RESPECTABILITY  
CHARACTER  
TRUST FAITH

My top three interests – these are things that you enjoy doing such as football, babysitting, gaming etc.

1. COMPUTER MOVIES  
2. MUSIC PHOTOGRAPHY  
3. BIKING CRICKET  
TRAVELLING SINGING  
READING  
COOKING CHATTING  
SLEEPING FOOTBALL

These worksheets do not replace the need for all young people to have an opportunity to speak to a qualified career development professional. Please contact your child's school to gain access or contact the National Careers Service: <https://nationalcareers.service.gov.uk>

## National Careers Week celebrates: Home School Careers Conversations 1 - Who are we?

An opportunity for students and parents to consider what is important to them, and start a conversation on Who We Are and what is important to us.

<https://nationalcareersweek.com/download/23545/>

There will be some short tasks going out to students to further explore and develop their employability skills as well as some short videos about students experiences in higher education. This will be shared with them through our Unifrog Careers Platform.

Please also keep an eye out on social media for careers information coming out during National Careers Week.

We are always looking to improve our Careers Programme and encourage parents and students to provide us with feedback or suggestions. If you would like information on careers not featured in here, please forward your thoughts to [g.mackle@ccwhitby.org](mailto:g.mackle@ccwhitby.org) As a parent, if you would like to highlight and share your career pathway, please drop me a line and let me know more about your role. I would be delighted to hear from you.  
Thank you.

## T-Shirt Design Competition

Using your understanding of the subject of Careers, design a T-shirt that's bold, bright and focusses on Careers and Career Skills!

Competition deadline 31/3/21.

A Day in the life of a Museum

by The STEM Ambassador Hub Trans-  
Pennine

Follow

Free

<https://www.eventbrite.co.uk/e/a-day-in-the-life-of-a-museum-tickets-141266458781>

The session is an hour long and aimed at Years 10-13.

If you want to know more about what it's like to work in a museum, (especially one linked to Science) and the different roles that exist then please register and attend on 5th March.

Those that can't attend due to live lessons, may be able to register and request a copy of the presentation to watch at a later date.

COMING  
SOON

Our Hub based at the National Science and Media Museum in Bradford works on behalf of STEM learning to raise "science capital" and raise STEM career aspirations by connecting industry specialist volunteer Ambassadors with Schools, Colleges and Community groups.

For more information about what's on at the National Science and Media Museum please follow this link:

<https://www.scienceandmediamuseum.org.uk/>
