

Primary PE and School Sport Update

Term 1

Welcome to the first Primary PE and Sport update of the 2022-23 season with another action packed term of events taking place.

Cross country (race 1+2)

The first event of the year was well supported with 306 runners competing in Cross Country league race one at Whitby Sixth Form. For many this was the first chance to experience endurance running with such large groups of runners. The cross country has become an event where schools can enter large

numbers with parents attending to offer support. The sight of so many active children battling against the conditions with such determination is a real credit.

Race 1 results:

Individual	First	Second	Third
Y3/4 Boys	Freddie – Fylingdales	Callum - Seton	Max - Stakesby
Y3/4 Girls	Evelin - Fylingdales	Isla - Ruswarp	Lily - Seton
Y5/6 Boys	J Salter - Lythe	L Shipton - Stakesby	C Faichney - Fylingdales
Y5/6 Girls	F Bailey - Hawsker	O Swales - Stakesby	Florence - Airy Hill

Race 2 results:

Round two of the Cross country league again proved to be popular with 488 runners, a record for the Whitby Primary event. Following on from the first event runners gained confidence, becoming familiar with the challenge encountered throughout the lengthened course.

Individual	First	Second	Third
Y3/4 Boys	Billy –West Cliff	Callum - Seton	Harry - Airy Hill
Y3/4 Girls	Evelin - Fylingdales	Lily - Seton	Gracie - Stakesby
Y5/6 Boys	L Shipton - Stakesby	J Salter - Lythe	V Long– West Cliff
Y5/6 Girls	Adele - Airy Hill	O Swales - Stakesby	Florence - Airy Hill

The final league race of the season is due to take place 15th March 2023

Key Stage 1 Multi Skills

Key stage one children benefited from an exciting afternoon of activity across two days at Caedmon College sports hall. The first experience of schools trips and certainly the first primary school

sports event for most children proved to be a popular experience. Fantastic support from all schools enabled

fifteen schools to bring around 320 children onsite. On both occasions the atmosphere was electric in the sports hall as sports leaders honed their skills with such large numbers.

Hopefully a day to remember for the children!

The games supported development of Agility, Balance and Coordination skills through a series of fun games designed to develop students physical literacy.

5/6 Girls Football

The girls year 5/6 football was played out at Eskdale School 3G facility, riding on off the back of England

Lionesses success at Euro 2022. There was a real buzz around the event with increased enthusiasm and

growing interest in playing. Ten teams competed through group stages, followed by knockout phase.

Group winners Stakesby, East Whitby and Airy Hill.

Following on from quarter and semi finals, Stakesby were victorious over Airy Hill in a close final.

Rugby Megafest

Delivered as an introduction to rugby, the Mega fest saw 195 children descended on Whitby Rugby club welcomed by members of the club coaching and first team volunteers keen to encourage new players into the

sport. Coaching of fundamental rugby skills was delivered by a team of sports leaders with ten different stations where children mixed with other schools forming new teams.

Whitby Rugby Club were delighted to see so many young people participating in rugby, they hope to employ a development officer to strengthen school-club links and offer individual sessions for schools. Impressive skills were on show whilst

children worked hard to impress teachers in the build up to Tag Festival.

Octoberfest

The Fun Run event, Octoberfest organised by the Whitby Rotary Club is now well established and supported by the local community. The races were organised by a team from the Rotary Club of Whitby and

District with the help of Caedmon College staff and took place on Sunday, October 2nd. Such was the enthusiasm of local youngsters that there were over 111 runners in the 5 races.

5/6 Boys Football

This years 7-a-side event was contested at Eskdale 3G with twelve teams battling it out in wet conditions.

Group winners were Glaisdale/Castleton, Hawsker, Seton

Boys football group stage knockout followed with quarter and semi final stages to determine overall winners.

In a well contested Final Stakesby came away winners.

Tag Rugby

Following on from Rugby Megafest, fourteen schools arrived prepared for the 2022 Tag Rugby festival. Competing in group matches at Whitby Rugby Club across six pitches.

Under the supervision of Caedmon College Sports Leaders the matches were played at a frantic pace with all out to impress. It was encouraging to see the children enjoying

competitive rugby and confidence grow in all. The success of some smaller schools furthered this as games

progressed, performances improved. At the end of the group stages Lythe, Glaisdale and Airy Hill claimed first place closely followed by Hawsker, Stakesby and Oakridge in second place.

Through the following knockout stages Oakridge and Stakesby met in the grand final with Stakesby Running out 5-3 winners on the day.

We would again like to thank Whitby Rugby Club for their support this season and hope links can be strengthened in the coming season.

WRUFC Mini-Rugby runs sessions every Sunday from 10.30 for 6 to 16 year old's.

Sportshall

Sports Hall Athletics

As winter begun to take hold events headed indoors with the Sports Hall Athletics event taking place over two separate events.

With fifteen schools entered, a two day event was planned to enable all teams a chance to measure their teams performance in a range of 'field' and 'track' events. From Javelin and chest push to speed bounce and vertical jump with speed demons on the running track, the event has something for everyone.

1st Sleights - 214
1st West Cliff - 214
3rd Stakesby - 204

Basketball

Six school attended the Basketball development session which included coaching drills kindly planned and delivered by Eskdale Sports leaders, using Whitby Sixth Form Gymnasium.

Well thought out practise drills focused on the development of dribbling, shooting and passing techniques which allowed a proportion of the session for games against each school.

Inclusive Dodgeball

Our first ever Dodgeball event provided opportunity for some of our less engaged children to experience an inclusive sports event where participation was prioritised over winning. The six schools played out a round robin event, demonstrating the upmost respect for each other. Children's confidence developed considerably during the afternoon through efforts and belief in their own abilities. The sense of achievement experienced

as the afternoon went on was heart warming for those in attendance, hopefully the first of more inclusive events to come. Well done to Goathland winning on the day.
