

## Useful Websites

To identify skill areas and broad suggestions for careers which may match these:

[www.truity.com](http://www.truity.com) and select 'Holland Code Career Test'.

This uses a like/dislike response approach to identify skills areas and suggest careers linked to these.

For more information on particular careers look at Job Profiles on:

- [www.prospects.ac.uk/job-profiles](http://www.prospects.ac.uk/job-profiles)
- [www.nationalcareersservice.direct.gov/job-profiles](http://www.nationalcareersservice.direct.gov/job-profiles)

## Job Application and Apprenticeship

For information on where to find jobs and apprenticeships and make applications:

- [www.findanapprenticeshipservice.gov.uk](http://www.findanapprenticeshipservice.gov.uk)
- [www.indeed.co.uk](http://www.indeed.co.uk)

Please use both websites as the 'Indeed' website tends to have apprenticeships including 'higher' and 'degree' which are not necessarily on the 'apprenticeship.gov' website.

There are plenty of other websites but these are possibly the easiest to use

Leeds Pathways-Careers Information Advice and Guidance including job search:

- [www.leeds.gov.uk/leedspathways/#LeedsNextSteps2018/](http://www.leeds.gov.uk/leedspathways/#LeedsNextSteps2018/)

Select 'visit a drop in centre near you' and find the names of two Leeds Pathways advisers: *Gayle Ferris - mob: 07891 275026* and *Ian Grant - mob: 07891 274524*.

NB You may well need to leave voice mail or better still a text if they are not available
